

HIRSCH COMMUNITY BOOK PROJECT

My name is Gail Skikevitch and I am a former resident of the Hirsch community. I am compiling information for a community book about Hirsch and am inviting anyone who has lived in Hirsch hamlet or its vicinity to contribute to this project. Of interest are family data and histories, schooldays, working and doing business, farming, especially pioneer homesteading, religious expression, political activities, community events, and historical highlights (e.g. Dirty 30's, Rum Running Days, natural disasters), etc.

I will accept both written and tape recorded memoirs and telephone interviews. I also would like to include a good number of photographs of families, businesses, and school and community events.

If you are interested in participating, or know of people who might be interested in participating, please complete the following information:
